# GOOD • UNION

## OUR HISTORIC HOME

Good Union is housed in the former Presbyterian church which was built in 1898 by J Lye & Sons from designs by architect, Mr E Bartley.

It is a typical New Zealand gothic style church in kauri and rimu, built to comfortably seat 250 parishioners. It was also the first public building in the district to be illuminated by acetylene gas. It was added onto during its history before being painted pink and converted into a retail and cafe space in the 1980's. After becoming untenanted in 2016 it was extensively restored and renovated by new owners to become Good Union.
